

MAPPS FALL POLICY CONFERENCE

The MAPPS Fall Policy Conference will be held during the MAPPS/ASPRS Specialty Conference and requires a separate registration and is for MAPPS member firms only. To register for the MAPPS Fall Policy Conference [click here](#).

The MAPPS Fall Policy Conference provides an opportunity for interaction among the leaders of the top geospatial firms in the country as well as the program managers and senior executives of the major Federal agencies. The session features special presentations from key decision makers from Federal agencies on policy issues affecting private geospatial firms and includes agency liaison committee meetings – small group roundtable discussions between agency officials and private sector geospatial professionals.

Participating agencies include: NGA, USGS, FEMA, NOAA, and USACE.

Thursday, November 19

1:00 P.M. to 5:00 P.M.

Fiesta Pavilion
