

## **MAPPS Sustaining Membership Benefits**

Sustaining Membership in MAPPSS provides firms the opportunity to support the programs of MAPPSS in addition to their base membership dues. MAPPSS has worked over the years to provide these generous firms with exposure to the membership, federal agency partners, the general MAPPSS constituency and the greater geospatial community. Please see the details below for the benefits for each of the levels. Conference sponsorship and advertising opportunities are available to all MAPPSS members in addition to a sustaining membership.
